

Student Charter

Solihull College & University Centre seeks to provide high quality education and training for individuals, employers and the community. As such, our provision is designed to be up to date, flexible, accessible and responsive to all our customers' needs, serving over 10,000 full and part-time students across two main campuses and on work based programmes. Solihull College & University Centre provides excellent facilities for study and aims to provide our students with an outstanding learning experience.

This charter outlines what this means for our staff, students/ trainees and partners. It is not a legally binding contract and is not a finite statement of the rights and responsibilities of the College or its students. All students and staff should familiarise themselves with College policies and procedures as they pertain to College life.

Solihull College & University Centre will continue to treat all students and employees with respect and dignity, and seek to provide a positive working and learning environment free from discrimination, harassment or victimisation.

Solihull College & University Centre undertakes to provide clear, accurate and impartial information, as follows (pre-enrolment):

- Online via the College website and the UCAS course directory.
- Full-time applications to Higher Education (HE) courses to include Higher National Diplomas (HNDs), Foundation Degrees or Honours Degrees will be made through the Universities and Colleges Admissions Service (UCAS). All HE applicants will be invited for an interview.
- On receipt of your application, an interview will be arranged and a letter sent within 7 days. All interviews for full-time courses will take place within 4 weeks of us receiving an application.
- At your interview we will discuss the course content, entry requirements, your achievement and progress to date and what support you can expect from us during your time at the College.
- Course costs, payment options and deadlines, and an estimate of necessary additional costs.

- The college welcomes applications from students who have a specific learning need (learning difficulty and/or disability). We are able to provide support at the interview and a member of the Additional Needs Team will be there to discuss the course with you and to identify any specific equipment or specialist support needs. Advice will be given regarding the application for DSA (Disabled Student's Allowance)
- Opportunities we give you to enjoy your time at college.
