right direction

with Solihull College & University Centre

Solihull College
& University Centre

Welcome to the...

Solihull College & University Centre

WORK READY **PROGRAMMES**

Solihull College & University Centre has successfully supported and worked with unemployed people for over 12 years.

We will provide clients who are currently unemployed, aged 19 and over and who want to be employed or progress into more sustainable employment with an array of nationally recognised short course qualifications to help improve job prospects and open doors to brand new careers.

The work ready programme hosts a wide variety of short courses for those looking to either return to a familiar job sector or begin a new career in something completely different. Courses range from two to ten weeks and are offered in the following areas:

- Become an Administrator
- Bookkeeping
- Construction - Bricklaying
- Customer Service
- Engineering Machining
- English and Maths
- ESOL
- Horticulture
- IT Digital Skills
- Motor Vehicle
- Security Services
- Starting your own Business

Upon completion of any of our courses there are further opportunities with Solihull College & University Centre to enhance their learning experience and move on to part time courses and increase employability skills further.

The College has ample transport links to both our Blossomfield and Woodlands Campuses with bus and railway stations just minutes away. Jobcentre Plus will cover travel expenses and could also help with any short term childcare costs for those on Work Ready Programmes.

Programme Criteria

Clients will be excused signing while attending the course.

English and Maths courses are available to clients who can then progress onto courses.

Horticulture and Construction courses will require clients to attend with hard toe boots and the College does not supply these and clients will need to make a direct request for help with this cost to JCP.

Referrals and Enquiries

To refer a client please either phone 0121 678 7000 or email enquiries@solihull.ac.uk to book an interview with a course tutor.

Courses and dates in the booklet are current at the time of printing and may be subject to change.

Some of our Work Ready Programmes

Please see programme pages (Pages 7 - ??) for further details.

Course	Course Details	Maths & English Assessment Required
Become an Administrator	Suitable for those who would like to work in an office environment. Develop your knowledge and understanding of a range of key administrative functions and activities. Blossomfield Campus

Solihull College & University Centre's Blossomfield Campus is one of the country's most impressive centres of learning. Facilities across a broad range of subjects are second-to-none, much like the setting – a green, relaxing environment with ample parking and handy links to the town centre.

OUR CAMPUSES

Woodlands Campus

There's a buzz about Woodlands that makes it an exciting, hands-on place to learn. Recently doubled in size, it's bursting with career-focused courses that offer the chance for students to perfect their skills. Boasting six new workshops for aerospace, cars, motorcycles, engines and MOTs, in addition to our existing Engineering courses, Woodlands Campus now incorporate a new state-of-the-art specialist centre for students on all our construction programmes including multi-craft, bricklaying, painting & decorating, plumbing, plastering and carpentry.
