

Trade Union Facility Time 2017/2018

Trade Unions play an important role in the College and there are considerable benefits to both employers and employees when organisations and unions work well together.

In accordance with the Trade Union (Facility Time Publication Requirements) Regulations 2017, the College is required to publish certain information on trade union officials and facility time.

Facility time covers duties carried out for the trade union or as a union learning representative, for example, accompanying an employee to disciplinary or grievance hearing. It also covers training received and duties carried out under the Health and Safety at Work Act 1974.

The regulations require the following information to be published on the employer's website:

Table 1. The number of employees who were relevant union officials during the relevant period, and the number of full time equivalent employees

Table 2. The percentage of time spent on facility time for each relevant union official

Table 3. The percentage of pay bill spent on facility time

Table 4. The number of hours spent by relevant union officials on paid trade union activities as a percentage of total paid facility time hours.

This report covers the period 1 April 2017 to 31 March 2018. The information provided contains aggregated data for Trade Union facility time at both Solihull College and University Centre and Stratford-Upon-Avon College for the period 1 April 2017 to 31 January 2018 (prior to merger) and as the merged College from 1 February 2018 to 31 March 2018.
