EDUCATION

LEARN IN YOUR COMMUNITY...

... with Solihull College & University Centre

There's something for everyone with our extensive **Community Education programme**. Many of our courses are designed to develop new skills and open doors into new fields of education, employment or self-employment. The programme caters for people of all ages and from all backgrounds.

We offer a range of personal development and accredited courses at our college campuses or online. So whether you need to brush up on your education, or fancy starting the new academic year with a new interest, browse our course listings and take the first step towards your goal. For details on when and where to enrol on the course of your choice, refer to the information supplied within the course listings.

Community Education in Solihull is provided and managed by Solihull College & University Centre. Parts of the programme are delivered in partnership with Solihull Metropolitan Borough Council. A wide range of courses are offered both daytime and in the evenings.

Supported Internships

For more information about the
courses available please email:
sallie.partridge@solihull.ac.uk

If you have an Education, Health and Care (EHCP) Plan, Solihull College and University Centre offer a Supported Internship Programme which is designed to enable young people, aged 16-24 with learning difficulties and/or disabilities to move into sustainable employment, but who also need extra support to succeed.

We aim to build young people's confidence and employability by developing their skills, improving English and Maths, and offering real-world experience to enhance their CVs and readiness for work. Additionally, we support them and their families in pursuing permanent employment, promoting independence, and challenging employer perceptions about individuals with learning difficulties or disabilities.

IMPROVE YOUR ENGLISH & MATHS SKILLS!

OUR FRIENDLY FREE COURSES WILL:

- Help you refresh your skills
- Help you with ordinary activities such as budgeting, writing letters and helping your children with their school work
- Build your confidence
- Enable progression to other courses e.g. Teaching Assistant, Access courses or GCSEs
- Improve your CV and job opportunities

Think University Isn't for You? Think Again.

Study Higher Education at Solihull College & University Centre - Right here, Right Now.

**You don't need to go far. You don't need to go full-time.
You don't even need to have all the qualifications... yet.**

At Solihull College & University Centre, we offer flexible higher education courses designed for real lives. Whether you're working, raising a family, or just thinking about a fresh start — we're here to help you succeed.

No traditional qualifications? No problem.

Many of our students start with access courses, or have real-world experience that counts. We'll help you find the right path. And with contextualised admissions, entry might be easier than you think.

Study one step at a time

With modular delivery of our HTQ courses, and some university-validated courses, you can study in bitesize blocks — build your future around your life.

Parents — this is your time

With expanded free childcare available from September 2025, there's never been a better time to return to education. We'll support you to balance study and family.

Local. Affordable. Supportive.

Stay close to home, keep costs down, and learn in a friendly, welcoming environment.
